Dear Parents,

This is in reference to the letter issued by CISCE dated 16th Sep 2020 regarding the partial re-opening of the school.

Taking cognizance of the MHA guidelines, CISCE has accorded sanction to permit students of Grades 9-12 to visit schools on voluntary base, subject to written consent from their respective parents/guardians. This provision is aimed at giving students an opportunity to perform various activities with regard to completion of project works, practical and thereafter practice the same in consultation with the respective teachers. However, all the activities will be co-ordinated in such a way that the number of students in each section will be equally divided to perform these activities only in a staggered manner keeping in mind today's pandemic situation. Grades will also be allotted accordingly.

ALL PARENTS GIVING CONSENT TO THEIR WARDS ARE REQUESTED TO ADVISE THEM TO FOLLOW ALL SAFETY PROTOCOLS SET BY THE SCHOOL VERY STRICTLY.

The School has adopted certain preventive measures to reduce the risk of COVID 19 to a larger extent possible. All students volunteering to attend the School will have to mandatorily adhere to the following preventive measures.

- Seating arrangement - Chairs/ Desks have been positioned to ensure a safe distance of 6 feet. All teachers, students shall maintain a physical distance of 6 ft as far as possible without disturbing the positions of Chairs/ Desks.
- Use of face shields/masks is mandatory. All faculty members to follow and ensure their students wear masks throughout.
- Students should carry their own water bottles/food. Sharing of items like notebook, pens/pencil, eraser, water bottle, food etc. amongst students are not allowed
- Wash hands frequently with soap (for at least 40-60 seconds) even when hands are not visibly dirty. Alcohol-based hand sanitizers may also be used (for at least 20 seconds) wherever feasible.
- Follow strict practice of covering one's mouth and nose with a tissue/handkerchief/flexed elbow while coughing/sneezing and dispose used tissues properly.
- Areas intended for teaching, laboratories, other common utility areas will be sanitized with 1% sodium hypochlorite solution at regular intervals. Particular attention to ensure sanitization of frequently touched surfaces.

- If transportation facility is availed - Proper physical distancing, sanitization of buses (with 1% sodium hypochlorite) will be ensured. Entrance and school buses will be mandatorily provided with hand hygiene (sanitizer dispenser) and thermal screening equipment.
- Please refrain from visiting school, if any student has any Covid-19 related symptoms

Scheduled Days/ Time on which Students can attend school is being finalized and will be shared shortly. Parents are also requested to send the duly filled/signed scanned copy of this mandatory consent form to the respective class teachers or before 21st Sep 2020 by 1.00 PM.
