GOPALAN
NATIONAL
SCHOOL

The page is framed by a decorative border of hand-drawn icons. On the left, a large teal circle contains a lightbulb, a star, and a globe. Below it, a light blue circle features a fountain pen and an eraser. The right side is decorated with a pink paper airplane, a red alarm clock, a green pencil, and a blue circle with a compass. The bottom edge includes a pink planet, a yellow star, and another atom symbol. The central text is set against a plain white background.

Dear Parent,

The upcoming school year promises to bring in an exciting gamut of new beginnings, new experiences, and new opportunities to learn and grow. The enthusiasm and wonder of children invariably remind us that each child comes to school with tremendous hopefulness and anticipation for their very best year.

We hope you are relaxed, recharged, and ready to start a new School year. We are so delighted that you are part of our amazing learning community. We welcome and value your energy and dedication to excellence in education and look forward to working with you and your children.

All our endeavors point to another incredible and productive School year. Our skilled and devoted staff is already planning and preparing for your child(ren). Even though we are bound to virtual schooling, for now, our hard-working and conscientious teachers are leaving no stone unturned to ensure that the classes are exciting and engaging.

Each year brings many positive changes to GNS. This year we are happy to announce a few additions to the repertoire of facilities we offer.

CURRICULAR ADDITIONS

I Tinkering Lab

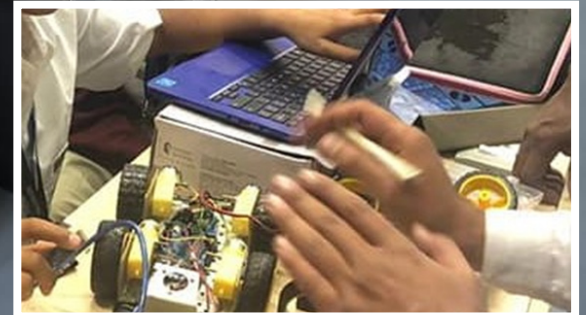

Nurturing Young Minds to Innovate

At GNS, we introduce a STEM lab to foster scientific temper in young minds by allowing them to learn, create, experiment, and innovate.

I Guidance and Counselling Cell

Transforming Students into Zealous Professionals

Young minds need proper guidance that will make them self-reliant and independent. Counselling not only helps them to make decisions about their professional career, but it also makes them confident and mentally prepares them for the future.

CURRICULAR ADDITIONS

I AI Proctored examinations

We have subscribed to an online exam proctoring solution to increase the security, convenience, and confidence in the online exam process. This tool will enable us to conduct fair and credible assessments.

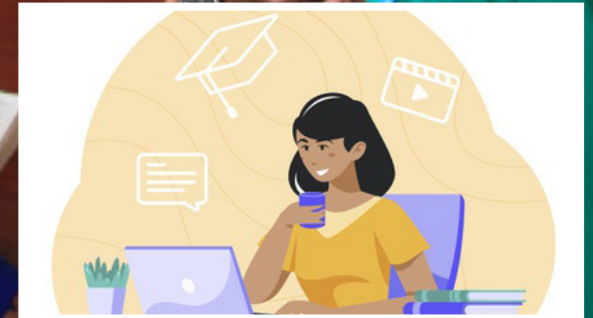

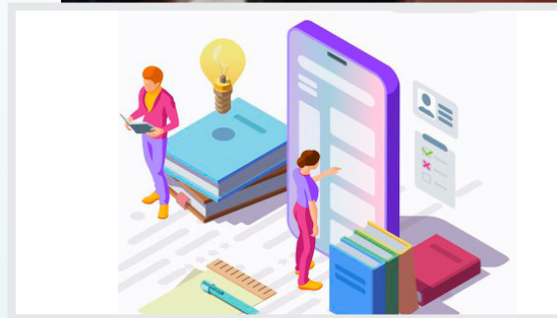

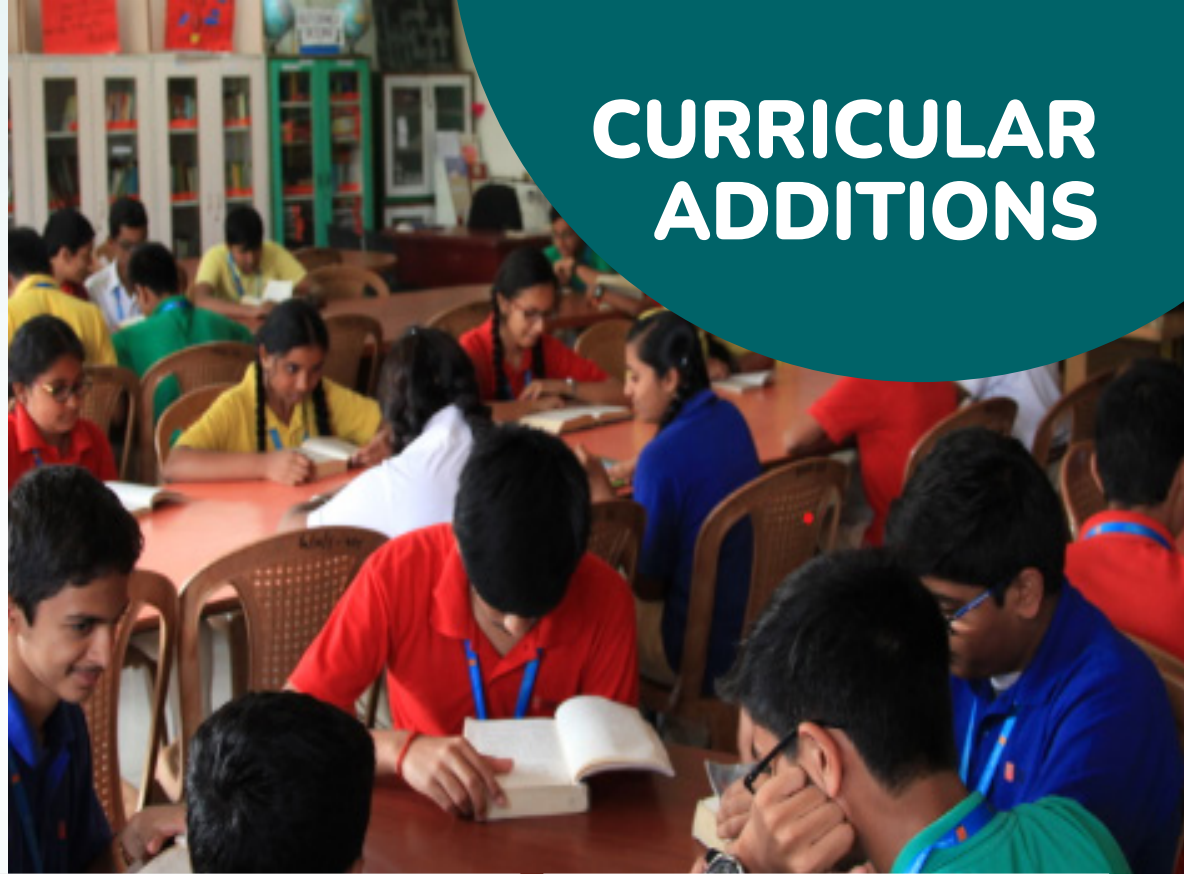

CURRICULAR ADDITIONS

| Scholastic Reading Club

Connecting Students to their Favorite Online Books

At GNS, we believe in teaching reading from a tender age. The Scholastic reading tool is an application that will reinforce LSRW and comprehension skills through interactive activities. This year our students from Pre-primary to Grade 5 will enjoy a collection of engaging, levelled fiction and non-fiction books online.

EXTRA-CURRICULAR ADDITIONS

I Hobby Clubs

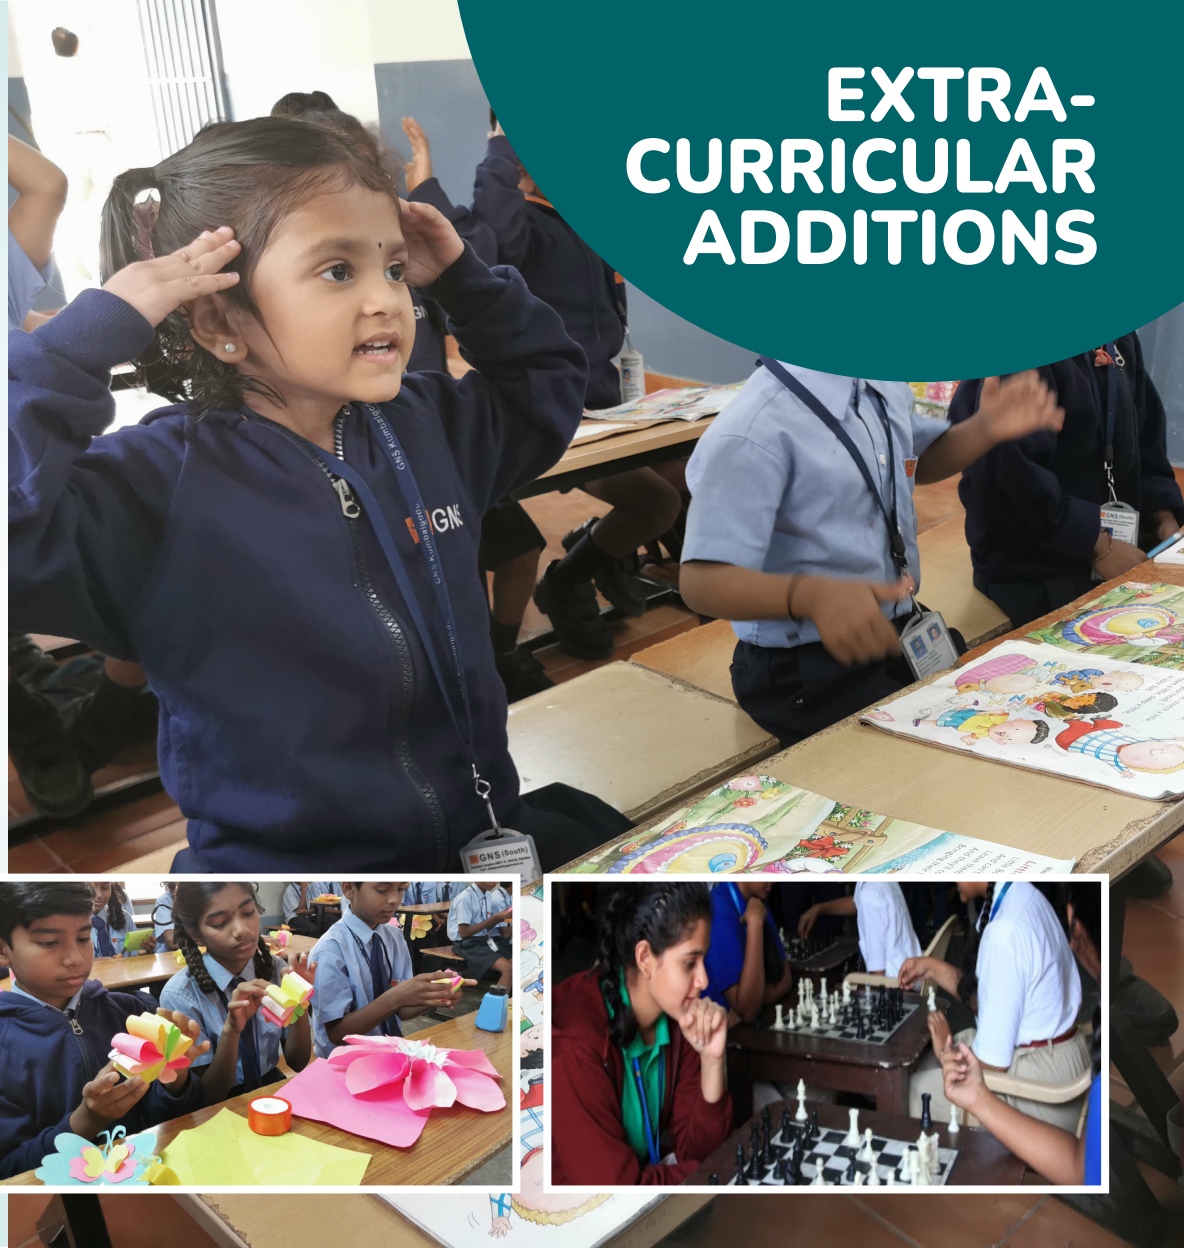

The Studio of Creativity

This Academic year, we have introduced various hobby clubs like Literary, STEM, Health & Fitness, Cooking & Baking, Theatre, Nature's club and more. These club activities will help develop essential life skills while nurturing values like empathy, friendship, and community service.

I Sports

Building a Future in Sports

Holistic development of children is never complete without their physical well-being. Coaching by experts, nutritional guidance, and a comprehensive progress tracker is in the offing this year.

INFRASTRUCTURE RENOVATIONS

| New Classrooms

Our Pre-primary and Primary classes are renovated and refurbished to make them more aesthetically appealing. The classrooms will have different learning stations, keeping in mind the multiple intelligences of our young learners.

SAFETY MEASURES

I Vaccination drive

The Gopalan Foundation has initiated a vaccination drive for all its employees, with a dedicated pledge to uphold safety standards. Making the campus safe and hygienic is of utmost priority for the school.

Thank you

GNS is eagerly looking forward to enriching your child's life. We sincerely appreciate you for understanding that it is only through a successful partnership that we will make a difference.

Your commitment to ensuring that GNS remains a celebrated and successful school is awe-inspiring. We eagerly look forward to greeting students and families again. Together, we know we will make this School year one of growth and achievement for all children.

STAY SAFE AND TAKE CARE
